About the Joint Strategic Plan:

In 2016, the Montgomery County Family and Children First Council and United Way of the Greater Dayton Area completed a Joint Strategic Plan identifying community priorities and population level indicators. In August community trainings were held to provide information about the five conditions of Collective Impact and how we could utilize this approach in our community. The Joint Strategic Plan and all of its supporting documents and videos are online for review at www.mcoho.org/hspd (click on FCFC Strategic Plan).
